

PRESS RELEASE

GECOM Approves Nineteen (19) Symbols Submitted by Political Parties to Contest in General and Regional Elections

1st July, 2025 GEORGETOWN – The Guyana Elections Commission (GECOM) has approved nineteen (19) of the twenty-two (22) symbols submitted by political parties to contest in the upcoming General and Regional Elections. However, final approval of the remaining three (3) symbols would be subject to minor modifications, the nature of which is in the process of being communicated to them.

Importantly, GECOM takes this opportunity to clarify that although twenty-four (24) symbols were initially submitted to the Commission, two of those political parties have since joined the A Partnership for National Unity (APNU); resulting in the symbols being included within the partnership.

In view of the foregoing, GECOM reaffirms its commitment to continuous engagement with all political parties as they prepare their Lists of Candidates for submission on Nomination Day which would be held on the 14th July, 2025.

A list of the Political Parties and their respective approval status is attached for reference.
